Disaster Relief

PROJECTS: In a world of pain and hurt, Texans on Mission have been beacons of light since 1967. They meet needs and share God's love with millions during difficult times, serving after hurricanes, tornadoes, floods, and more. Volunteers walk alongside the suffering, changing the world with one act of service and compassion.

When disasters strike, we'll coordinate teams to clean up flood, hurricane, and tornado victims. We'll also have cook teams ready for mass feeding.
